WE BELIEVE THAT GOD'S MISSION FOR OUR CHURCH IS TO . . .

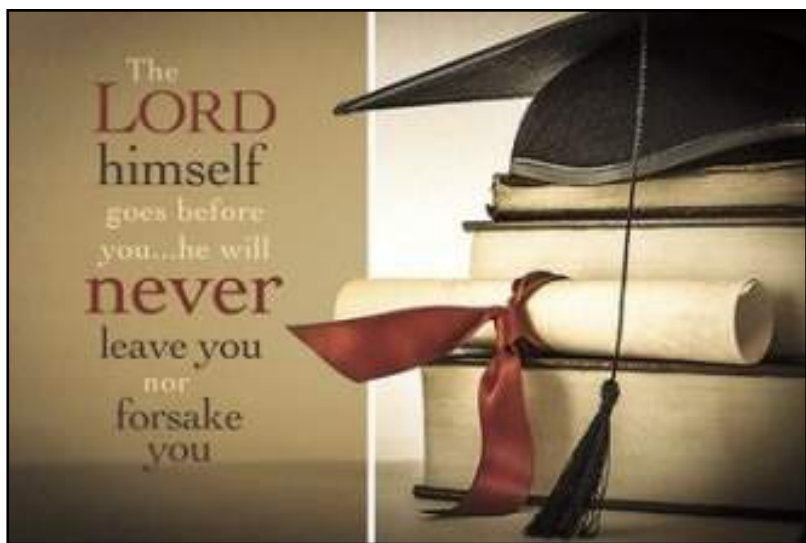

Declare CHRIST,
Develop BELIEVERS, AND
Deploy DISCIPLES INTO THE WORLD

A NOTE FROM OUR PASTOR
DR. JONATHAN RUSSELL

FAITH IN ACTION... God designed faith to be more than an intellectual or emotional experience. Your faith in Jesus Christ is meant to be practical. Scripture repeatedly tells us that "the just shall *live* by faith." We have spent a few weeks moving through the book of James, which gives us great principles of how we can put our faith into action. We will continue that series all summer long, so I hope you'll be in your pew as we continue to learn how to live by faith!

CONGRATULATIONS to our high school graduates! As we turn the corner into May, several young men and women will prepare to take a major step and go through a big transition in the weeks to come. Make plans to join us on Sunday morning, May 20th, as we recognize and honor our graduates during our morning service. We pray that God will continue to bless them and use them as they take the next step in their lives.

SUMMER TIME IS ALMOST HERE! Before too long school will be winding down, vacation planning will be starting up, and air conditioning units will be whirring 22 of the 24 hours in the day. Summer is fast approaching, and once again this year we're going to utilize our Sunday nights during the summer for unique services and opportunities. Be looking in the next couple of weekends for a "Summer Sunday Nights at FBC" booklet. This pamphlet will explain all our Sunday evening services this summer. There will be opportunities for us to fellowship with each other, as well as opportunities to reach out to our community. Please plan to take part in various ways and make our summer one of the best ever!

SUPPORT STUDENT MISSIONS

You may have seen the display in the Lower Gallery with information about this summer's student mission trips. Middle School students are going to Mississippi and High School students are headed to Philadelphia. They will be working hard while there. How can you help keep this affordable for them and help them to go? Pray for our students and the opportunities they will have. Grab an envelope and support them.

GRADUATE RECOGNITION SUNDAY

Sunday Morning, May 20th

The High School Seniors we have on our Sunday morning Small Group roll will be receiving information about how to participate. If you know a High School Senior who doesn't go to Small Group/Bible Study on Sunday mornings, then you will need to come by the church office to get the information about the recognition service.

Class of 2018 Baccalaureate Service

Sunday, May 27th
4:00 pm

We ask for all of you to come and support the Class of 2018 as they are challenged by God's Word and encouraged by your presence as they face graduation and their future.

NORRISTOWN, PENNSYLVANIA

Likely, you have heard recently of Norristown, Pennsylvania. If you paid any attention to the Bill Cosby trial, you might have heard the reporter say, "From Norristown, outside of Philadelphia."

Norristown is a borough (which is Yankee for "town") of a little over 34,000 people. It is a county seat and a suburb of Philadelphia. When I first heard of it, I thought that being a suburb it would be a wealthy area filled with professionals who drive into Philadelphia for work. That preconceived notion was not the case.

Like much of the Northeast, Norristown is a town in decline. Manufacturing jobs have left. While the suburbs on each side are wealthy and growing, Norristown seems to have been left behind. The city is a mix of cultures with a significant Puerto Rican population and an almost equal number of African Americans and Whites. Nearly one in five people there live in poverty. In this town with all of its challenges, Jeff and Tina Hill with the support of the North American Mission Board are trying to plant a church. We hope First Baptist Church of Milton will come along side them and help proclaim the hope of Christ. July 16-21, we plan to send a small team of volunteers to help them in an outreach project to their city. Will you step up and help? If interested, call Randy at the church office, or send him an email, rjackson@fbcmlton.org. Feel free to stop him if you have questions or need more details.

MILITARY APPRECIATION

Military Appreciation Day is May 18 at Whiting Field from 3-7 p.m.. We want to show our appreciation as a church. We need people to help setup around 1 p.m. that day and to man our activities from 3-7. If you can come for an hour or the whole time, please let me know.
